

# A Really Long Vessel Name (which is a bit of a silly thing to have, realllllly)

Lorem ipsum dolor sit amet, consectetur adipisicing elit, sed do eiusmod tempor

Magnetic to Compass: add easterly (subtract westerly) deviation.  
Compass to Magnetic: +W (or -E) deviation. May require second round correction

To convert directly between Magnetic, Compass and True bearings download  
a conversion rose from [http://www.omnirose.com/deviation\\_tables/33/](http://www.omnirose.com/deviation_tables/33/)
