## A Really Long Vessel Name (which is a bit of a silly thing to have, reallIllly) Lorem ipsum dolor sit amet, consectetur adipisicing elit, sed do eiusmod tempor

Magnetic to Compass: add easterly (subtract westerly) deviation. Compass to Magnetic: +W (or -E) deviation. May require second round correction

To convert directly between Magnetic, Compass and True bearings download a conversion rose from http://www.omnirose.com/deviation\_tables/33/
